Ambassador Duke Room · 3001 Cameron Boulevard · Durham, North Carolina

$10 registration fee · Lunch & snack included

This class is designed for the newly diagnosed individual (received diagnosis within 2 years) and their loved one. The program will include information about Parkinson’s disease and resources. Registration is limited to 40 participants and includes lunch. Please make checks payable to “Duke Hospital.” To register, please contact Katie Durham, LCSW at (919) 681-2656 or katie.durham@duke.edu. This program is made possible through the generous support of the National Parkinson Foundation.
